

PRASHANT CHOUBEY

President – Human Resource & Business Development

Mr. Prashant Choubey, a seasoned professional with almost three decades of experience, leads Human Resources and Business Development as a President at Avaada Group.

He brings a wealth of diverse experience in managing national & international business development, especially in the South and South East Asia region in the spectrum of solar, renewables, and hydro. Mr. Choubey's other key competencies include policy advocacy, strategic HR planning, talent management, setting up & managing HR systems, policies & processes, Bid Management, Corporate PPAs, etc.

He played a significant role in taking the organization to the leader's spot in offering sustainable renewable energy solutions to leading national and international corporates in India. Under his guidance, Avaada Group was ranked among the top 50 best companies to work for by The Times of India- Ascent. It was also ranked among the Top 10 solar companies in India by Solar Quarter magazine.

As a prolific speaker, Mr. Choubey has been prominent at numerous national and international events. He has also been instrumental in presenting papers on Renewable and Solar Energy at international conferences and forums in Austria and Turkey.

Prior to joining Avaada Group, he was associated with National Hydroelectric Power Corporation and Reliance Infrastructure Limited.

In recognition of his outstanding contributions, he was honoured with the Young Engineer Award in 2001 by the Central Board of Irrigation and Power, India. An engineering graduate from the Delhi College of Engineering, Mr. Choubey is a force to be reckoned with in the renewable energy industry.
