

RADHA MS

PRESIDENT - PROCUREMENT

Radha MS is leading the Procurement team as a President at Avaada Group. Working across length and breadth to devise fruitful sourcing strategies, she has been instrumental in keeping the operations running smoothly.

With her rich experience spanning four decades in Design Engineering, Procurement, and Engineering Management, she has demonstrated exceptional leadership skills and an unwavering commitment to excellence through her expertise. Her strong expertise in Power Systems and SCADA has helped organizations navigate complex challenges.

Ms. Radha has presented numerous case studies/ papers related to Power Systems Protection at various events organized by institutions such as NTPC, CEA, Govt of India, CBIP, and others.

Prior to Avaada Group, she worked with HCC Infrastructure, Reliance Power Limited, NTPC Ltd., and Hindustan Aeronautical Limited. She has successfully performed the role of lead engineer across various NTPC projects, including consultancy.

An IIT Mumbai Alumni, she holds a postgraduate degree in Power Systems Engineering.
