

RAJAT GUPTA

CFO

For three decades, Mr. Rajat Gupta has amassed a broad range of experience in various industries, particularly in managing the financials of private equity owned/funded entities, green field & brown field projects, and startups.

A renowned Chartered Accountant and an alumnus of the University of Delhi, Mr. Gupta is leading the finance functions at Avaada Group, as its Chief Financial Officer, and oversees Financial Planning and Analysis, Accounting and Consolidation & Controllershship, Secretarial & Compliance, and Risk Management.

Mr. Gupta has a wealth of experience in sectors such as Renewable Energy, Telecommunications, Healthcare, and Real Estate. With his entrepreneurial skills and experience in setting up and scaling businesses, he handled the entire gamut of asset monetization i.e., private equity, sale of business, demergers, listings & public markets. While working on projects of two telecom services, he raised over Rs 30,000 crores in funding including project finance and structured mezzanine financing. With experience in raising private equity for infrastructure and real estate projects, he has dealt with marquee private equity investors.

During his long professional journey, he was associated with leading organizations like Sprng Energy, Ostro Energy, Avantha Group, Welspun Energy, and Unitech Group.
