

VINOO GEORGE

PRESIDENT – Manufacturing

Mr. Vinoo George, a seasoned professional with over four decades of experience, heads the Manufacturing vertical as President at Avaada Group. His industry experience spans Manufacturing, Project Management, Sourcing, and International Business Development. He has been instrumental in the organization's growth journey.

Mr. George is an unparalleled expert in building pipelines and developing large-scale projects and has been instrumental in building strong relationships with vendors and suppliers, ensuring access to the best materials and technologies available. He oversees all aspects of the manufacturing operation, including vendor selection, technology selection, manufacturing setup, product quality, supply chain, and material procurement. He has set high standards for sourcing and supply chain management, ensuring the timely commissioning of solar and wind projects.

Prior to joining Avaada Group, he was associated with BHEL and Reliance Infrastructure. He holds a mechanical engineering degree from Madras University.
